The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for recharge wells pipelines in fiscal year 2024. The entity to receive funding for this project is the City of Tempe, located at 31 East Fifth Street, Tempe, AZ 85281.

The funding would be used to construct pipelines to deliver reclaimed water from the city's Kyrene Reclamation Facility to recharge wells for future recovery. The project is an appropriate use of taxpayer funds because it allows for the treatment of wastewater to provide alternative, additional supplies of water to enhance the city's water security and drought resiliency.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Greg Stanton".
