The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Valley Metro micro transit in fiscal year 2024. The entity to receive funding for this project is the City of Phoenix, located at 200 West Washington Street, 12th Floor, Phoenix, AZ 85033.

The funding would be used to purchase seven accessible electric microtransit vehicles. The project is an appropriate use of taxpayer funds because it will support the county's goal of reducing carbon emissions while expanding service to areas that are currently not served or are underserved by traditional transit options, including communities with high populations of seniors and persons with disabilities.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Greg Stanton".
