The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for water service lines in fiscal year 2024. The entity to receive funding for this project is the City of Phoenix, located at 200 West Washington Street, 12<sup>th</sup> Floor, Phoenix, AZ 85003.

The funding would be used to identify all service line types within the city's extensive drinking water system. The project is an appropriate use of taxpayer funds because it would identify the lines that are lead or galvanized that need replacement to ensure compliance with the Environmental Protection Agency's Lead and Copper Rule Revision.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Greg Stanton".
