## LUHRS DOWNTOWN MARRIOTT Phoenix, AZ

-  **Job Creation Estimate: 650+**
-  **EB-5 Investment: \$27.5M**

EB-5 investment served as a critical source to fund the development of this new 320-room Marriott Hotel within the historical Luhrs city-block in downtown Phoenix. Located within walking distance of the NBA Phoenix Suns, the Arizona Diamondbacks and the Phoenix Convention Center, this economic development project revitalized the historic district and brought much-needed jobs to the local area.

## CIRCA CENTRAL AVENUE MULTIFAMILY COMMUNITY

Phoenix, AZ

-  **Job Creation Estimate: 400**
-  **EB-5 Investment: \$12.5M**

EB-5 funding was used to finance the construction and operation of this 227-unit mid-rise multifamily community near the historic Willo and Encanto Districts, bringing a modern and boutique living experience with a connection to the revitalization of downtown Phoenix.
