**Entity Requesting Funds (legal name, no abbreviations):**

**If this entity is a non-profit, please include documentation that the entity is a registered 501(c)(3) under the Internal Revenue Code of 1986.**

**Primary Point of Contact (name, email, phone number, address):**

**Project Priority (if non-federal sponsor is submitting more than 1 project):**

**Project description:**

**Amount of CPF funding requested for the project:**

**Total project cost:**

**Can the project obligate all of the appropriated funds within 12 months after enactment (yes/no)?**

**Estimated start and completion dates for the project.**

**Include an explanation of why the project is a good use of taxpayer funds.**

**Has this request been submitted to another Member, if yes, which Member(s) and who is the staff point-of-contact?**

**Demonstration of community support for a project is crucial for determining whether it should receive funding. Projects must have substantial evidence of community support to be considered for funding. Community support documentation can include: letters from elected officials and community groups, local transportation or community development plans, publications (including news articles), and any**

**other documents demonstrating public support for the project. Please include documentation of community support in one pdf document and submit with this form.**

**Environmental Protection Agency, State and Tribal Assistance Grants, Clean Water/Drinking Water infrastructure projects**

**Is this a Clean Water SRF project or a Drinking Water SRF project?**

**Is the project on your State's most recently finalized Clean Water/Drinking Water SRF Intended Use Plan (IUP)?**

**Has the project received Federal funds previously? If so, please describe.**

**Does the project have (or expects to have within 12 months) its 20% cost share requirement?**

**Given the Federal nexus requirement, does the project help meet or maintain Clean Water Act/Safe Drinking Water Act standards? If so, please describe.**

---

*Each of these projects must have a federal nexus. Projects that do not have a nexus will not be considered.*

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. [Clean Water Projects] **OR** Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. [Drinking Water Projects].
