Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Tempe Kyrene Water Reclamation Facility (KWRF) Reactivation and Recharge Wells and Pipeline Improvement Project - Phase Three in Fiscal Year 2027. The entity to receive funding for this project is the City of Tempe, located at 31 E 5th St., Tempe, AZ 85281.

The funding would be used for the construction-phase implementation activities necessary to deliver the rehabilitation of the reclamation facility itself. This includes oversight of demolition, structural rehabilitation, facility retrofits and enhancements, and final commissioning of treatment and recharge infrastructure. The project is an appropriate use of taxpayer funds because it will strengthen drought resilience for the City of Tempe amid long-term surface water uncertainty in the southwest.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in cursive script that reads "Greg Stanton".
