Chairwoman

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for water main improvements in fiscal year 2024. The entity to receive funding for this project is the City of Mesa, located at 20 East Main Street, Mesa, AZ 85201.

The funding would be used for equipment to inspect, assess, and make repairs or replace water transmission lines. The project is an appropriate use of taxpayer funds because it would maximize the efficiency of the city's water distribution system to reduce water loss and improve drought resiliency.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Greg Stanton".
