Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Phoenix's Fire Station Improvement in fiscal year 2026. The entity to receive funding for this project is the City of Phoenix, located at 200 West Washington Street, 12th Floor, Phoenix, AZ, 85003.

The funding would be used for fire station improvements. The project is an appropriate use of taxpayer funds because it provides needed upgrades to our fire stations to allow our firefighters to better serve the community. Arizona is battling ongoing drought and wildfires, and this would benefit residents in a rapidly growing area of Phoenix. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Greg Stanton".
