Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Sahuarita Lake Remediation Project in fiscal year 2026. The entity to receive funding for this project is the Town of Sahuarita, located at 375 West Sahuarita Center Way, Sahuarita, AZ 85629.

The funding would be used to reline Sahuarita Lake to prevent soil liquefaction caused by water leaks. The project is an appropriate use of taxpayer funds because it prevents damage caused by leaks, increases safety for the community's water resources, protects public health by reducing water quality issues, prevents groundwater from entering the wastewater system, and bolsters the lake's water storage capacity to meet the city's water needs.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Greg Stanton".
