The Honorable Kay Granger

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Salt River Project in fiscal year 2022.

The entity to receive funding for this project is the Bureau of Reclamation Phoenix Area Office, located at 6150 W. Thunderbird Rd. in Glendale, AZ 85306-4001. The funding would be used for a feasibility study to evaluate the impact of sedimentation accumulation in the Verde River Basin and identify alternatives to restore water storage capacity.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Greg Stanton
Member of Congress
