The Honorable Kay Granger
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Equitable Pathways Program project, in fiscal year 2022.

The entity to receive funding for this project is Aliento Education Fund, located at 1809 S. Dobson Rd., Ste. 214 in Mesa, Arizona 85202. The funding would support first-generation immigrant and Latino students through social-emotional programming such as paid student fellowships and internships; build the capacity of educators, counselors and school leaders through professional development on college access and post-secondary pathways; and support collaboration with cross-sector partnerships such as school districts, community colleges, universities, businesses, and cities to advocate for increased access to higher education.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Greg Stanton
